Riding the Bus is Easy!

Here are a few basics to get you started! Look for your closest bus stop on our interactive map, or in your neighborhood. The numbers on the sign show which bus routes stop there. Wheelchair accessible stops are marked with ♿. Not all bus stops are wheelchair accessible. Call 253.581.8000 to find out if a stop is accessible. If not, a Customer Service Representative will find the nearest one for you.

Find your route number in this book or on our website at PierceTransit.org. The map shows the streets your bus travels. The timetable lists major bus stops to help you estimate when the bus will be at your stop (see below).

Reading a Timetable is Easy. Reading left to right follows the flow of the bus on its route. Reading down a column shows all the buses that come to a specific location during the day.

Route number → 1 Saturdays
Day of the week → Saturdays
Direction bus is travelling → SR7 to TCC
Timepoint → 1 2 3

Buses stop between timepoints, too. Use the timepoint before your stop to estimate your bus arrival time. When you see a **dash (-----)**, the bus doesn't serve that timepoint.

SR 7 & 8th Ave Walmart	Pacific & Military	Pacific & 112th
1	2	3
-----	-----	6:08*am
-----	-----	6:38*
-----	-----	7:11*
7:03	7:13	7:23

For more information call 253.581.8000, option 1, then option 1 again

Plan Ahead. Based on the route map, make sure you are at the bus stop on the correct side of the street. Arrive at the bus stop at least 5 minutes early. You can check to see when your bus will arrive! Just text the bus stop number (shown on the pole) to 253.533.7084.

Have your fare ready before boarding. Use your ORCA card, Hopthru app, or exact cash (no change will be issued). Need more than one bus to get to your destination? Customers must present their fare each time they board. Depending on how often you are going to ride in a day, you may want to purchase a Pierce Transit All Day Pass. All Day Passes are good for unlimited rides on all local Pierce Transit bus service until the end of the service day (2:59 am). All Day Passes may be purchased on board Pierce Transit buses, on the Hopthru app, or preloaded on ORCA cards.

Ask your driver for the stop closest to your destination. When you're a block away, push the yellow button strip or pull the bell cord. You will hear a message that says "stop requested" and will be let off at the next stop.

Call 253.581.8000 option 1, then option 1 again, if there's a place you don't know how to reach by bus. A Customer Service Representative will be happy to help you. Or check out the Trip Planner on our website: PierceTransit.org

Pay it Your Way

Fares are required each time you board a Pierce Transit bus. You have options, so choose what's most convenient for you!

The ORCA Card

With a reloadable ORCA card, transferring is quick and easy. You can load your card with an electronic purse —“E-purse”— or a pass. Choose a pass valid on Pierce Transit buses only, or a regional pass valid on buses, trains, and ferries. Details are online at orcacard.com, and on the following pages.

The Hopthru App

Download the Hopthru app, and with PiercePaySM you're on your way! Purchase tickets or passes on your phone, then activate one just before you board. Valid on Pierce Transit buses, SHUTTLE, and our current Pierce Transit Runner pilot program only. For details see page 10 or visit PierceTransit.org/pierce-pay-with-hopthru/.

Pay with cash

Paying with cash? Be sure to bring exact cash, as change will not be made. Pay for just one ride, or consider buying an All Day Pass on board, good for all of your own Pierce Transit local bus rides that day. Some organizations issue paper Pierce Transit tickets and passes. Just “dip” yours into the farebox to activate it, then enjoy the ride!

Monthly Pass: Unlimited rides during calendar month

If you regularly take Pierce Transit (more than 18 round trips a month), consider the convenience and savings of a monthly pass loaded on an ORCA card. A pass can be purchased for an amount that covers the trip you take most often.

For example, buy a PT local \$2.00 pass if you're an adult riding only local PT buses. If you regularly connect with other services (such as Sound Transit), consider a regional pass instead.

Transfers

For each fare paid with an ORCA card, there is a two hour electronic transfer built in. With E-purse or regional passes, it is valid on or between Pierce Transit, Sound Transit, King County Metro, Kitsap Transit, Community Transit and Everett Transit. Pierce Transit All Day Passes loaded on ORCA allow unlimited rides on Pierce Transit local service until the end of the service day (2:59 am).

No transfer value to other transit agencies; no value on SHUTTLE.

SHUTTLE Fares

The fare for a single ride on SHUTTLE is \$1.75. Pierce Transit's monthly pass for passengers riding SHUTTLE only are paperless, "virtual" passes; the current cost is \$63. Once a Virtual SHUTTLE Pass is purchased, Pierce Transit records that purchase for the specified passenger, for the month purchased.

No physical pass is issued. Purchase a Virtual SHUTTLE Pass on PierceTransit.org, by phone, or by mail. **SHUTTLE passengers who also ride Pierce Transit fixed route buses should not purchase a Virtual SHUTTLE Pass;** instead, purchase Pierce Transit's Reduced Monthly Pass loaded on ORCA, mobile tickets or cash may be used.

For details, call 253.581.8000, Option 1, then Option 2.

All Day Pass

Pierce Transit All Day Passes may be purchased on board PT buses. Once exact cash is inserted in the farebox, it will dispense your All Day Pass with an expiration date and time printed on the back.

When boarding your next PT bus that day, slide your pass through the magnetic stripe reader on the farebox. All Day Passes may also be preloaded onto ORCA cards, or purchased on your mobile device through the Hopthru app.

Fares & Passes (continued)

Reduced Fares

Commute Solutions – Providing Your Employees with Better Commute Options

Workplace Transportation Programs are good for business: they provide added employee benefits, reduce businesses' carbon footprints, and save on parking costs.

Pierce Transit works one-on-one with Pierce County employers to develop a transportation program that meets their employees' commute needs, including:

- subsidized transit passes through an ORCA Business Account
- help forming carpools and vanpools
- virtual and on-site education events with employees and managers, and
- incentives to encourage smart commutes.

For information about setting up a workplace transportation program, contact our Commute Solutions Team at 253.983.3792 or CommuteSolutions@PierceTransit.org.

Bikes & Buses

Bicycling is a great way to get to and from your bus stop. If you'd like to park your bike before riding the bus, consider renting a spot in a Bike Secure Parking Area or Bike Locker.

Or you can even bring your bike along on the bus! To secure your bike, Pierce Transit buses have easy-to-use exterior racks that hold two bikes. The bike must be loaded and secured by the owner. Use of the rack is at the risk of the cyclist. If the rack is already full, the transit operator may permit you to bring your bike onboard, depending on passenger loads and the effect on safety. You are responsible for holding your bike securely when it is onboard. If the bus becomes too crowded, the transit operator has the authority to ask you to take your bike off the bus.

Visit PierceTransit.org/bikes for more information, including a video showing how to load your bike on a rack. Enjoy the ride!

Before your stop remind the driver that you will be unloading your bike, and always exit from the front door.

Snow Routes

Snow and extreme weather is unpredictable here. That's why we work to provide you with up-to-date travel information, when your bus must go on detour and when it goes **OFF** detour.

If snow is on the ground, visit PierceTransit.org before you leave to catch the bus! Maps added to our website show where your bus travels on detour. You may also visit PierceTransit.org/StayConnected and enter your cell phone number to sign up for route-specific alerts.

Tips for riding the bus in snow and ice:

- Wait for the bus at the top or bottom of the hill closest to your stop.
- Signal the bus so that the operator has plenty of time to stop.
- Wait until the bus stops and the door opens before approaching bus.
- Use handrails when getting on and off the bus.
- Wear bright colored warm clothing.

Every attempt is made to continue wheelchair-accessible service, however, sand and salt can interfere with the lift mechanism. Call 253.581.8000 before heading to your bus stop.

Rules of the Ride

For everyone's safety and comfort, Pierce Transit regulates conduct on its buses and transit properties. In simple terms, you need to show respect for your fellow passengers, transit employees, and for the transit vehicles and facilities you use.

It only takes one person to ruin the ride.

Those who violate the Rules of the Ride, federal, state or local laws, or Unlawful Transit Conduct (UTC) laws may be asked to leave the vehicle or facility immediately. Violators may be excluded from transit services for a period of up to one year. In addition, Pierce Transit Police and/or Safety, or local law enforcement agencies can cite those in violation of UTC. If you have a question or a concern email us at pubsafety@piercetransit.org.

Do:

- Pay the correct fare, and have your fare ready.
- Keep animals in suitable carriers, except service animals.
- Use headphones and speak quietly when using a cell phone.

- Make room for others when the bus is crowded.
- Respect transit property.
- Make sure any food or beverages are in spillproof containers.
- Use Pierce Transit facilities and services for transit use only.
