Opening Remarks and Housekeeping Items

Chair Woodards welcomed Board Members, staff, and citizens to the virtual meeting and provided instructions for participation to attendees.

PRESENTATIONS

- 1. Community Transportation Advisory Group (CTAG) Quarterly Update.** No update was provided.
- 2. 2nd Quarter Financial Update**

Executive Director of Finance Brett Freshwaters provided an overview of the financial health of the Agency for 2nd Quarter of 2020, reviewing the following information:

- Sales tax revenue forecasted to be collected in comparison to actuals collected;
- Operating Revenues budgeted versus actuals collected;
- Operating Expenses by Category;
- Self-Insurance Expenditures budgeted, versus the actuals expended.

Mr. Freshwaters reported that sales tax collections were better than what was anticipated but less than what was budgeted. He reviewed sales tax collection rates for years 2018, 2019 and 2020.

He noted that the CARES Act monies should cover most of the revenue shortfall that has occurred due to COVID-19; that Pierce Transit is in good shape this year, but there could be impacts in 2021.

PUBLIC COMMENT

The following individual(s) provided public comment:

1. Julian Wheeler, Chair of Pierce County Advisory Committee for Accessible Communities (PCAC), invited commissioners and staff to the next PCAC meeting and announced that the committee will be issuing a proclamation commemorating Disability History Month.

CONSENT AGENDA

(Items listed below were distributed to commissioners in advance for reading and study and are enacted with one motion. Item(s) may be moved to the Action Agenda at the request of a Commissioner.)

Commissioners Campbell and Keel **moved** and seconded to approve the consent agenda as presented.

Motion **carried**, 9-0.

1. Approval of Vouchers, August 1, 2020 to August 31, 2020
Operating Fund #10
Self-Insurance Fund #40
Capital Fund #90
Payment Nos. 374098 through 374310
Wire Nos. 4770 through 5059
No Advance Travel Checks
Total \$12,036,901.80
2. Minutes: August 10, 2020 regular meeting.
3. FS 2020-040, Authorized the Chief Executive Officer to enter into and execute Amendment No. 3 with Sound Transit extending the Sound Transit Express Bus Operation and Maintenance Contract to June 30, 2021.
4. FS 2020-041, Approved Resolution No. 2020-016, adopting Revision No. 2 of the Pierce Transit Public Transportation Agency Safety Plan as presented in Exhibit A.

ACTION AGENDA

1. FS 2020-042, Approval of Resolution No. 2020-017, Adopting the 2020-2025 Transit Development Plan (TDP) as Presented in Exhibit A.

Senior Planner Duane Wakan presented on the item. He reviewed the edits that will be incorporated into the Transit Development Plan based on comments received by commissioners. He distinguished the differences between the Transit Development Plan and the Long Range Plan.

He reported that no written or oral comments from the public were received on the TDP. He confirmed that Key Performance Indicators to address Disadvantaged Populations will be researched and developed for the 2021-2026 TDP and that an equity piece relating to Disadvantage Populations for King County Metro Routes 903 and 63 has been incorporated in the proposed plan.

Commissioners Campbell and Henderson **moved** and seconded to approve Resolution No. 2020-017, adopting the 2020-2025 Transit Development Plan as presented in Exhibit A.

Motion **carried**, 9-0.

2. FS 2020-039, Selection of Bus Rapid Transit (BRT) System Name

Executive Director of Planning and Community Development Ryan Wheaton presented on the item, reviewing the process staff utilized to develop the BRT system name and the public engagement process with stakeholders.

He reported that the Service Delivery and Capital Committee reviewed and discussed this item at their August 20, 2020, meeting and at the end of the discussion, the committee members unanimously selected the system name of Streamline and recommended that there be further consideration and vetting for an abbreviated name of “Stream” to be considered by the full Board. Mr. Wheaton confirmed that all names have gone through a trademark vetting process.

The Board conducted a lengthy discussion expressing attributes and potential cons of the system name(s) and sharing future marketing visions.

Commissioners Henderson and Campbell **moved** and seconded to select Stream to be the name for the Bus Rapid Transit system name.

Motion **carried**, 9-0.

3. FS 2020-043, Authority to Amend the 2020 Capital Budget and Execute Contract No. 1064 with Construct, Inc., to Provide Construction Services for the Commerce Tunnel Refurbishment Project

Sr. Project Manager Monica Adams presented on the item, providing an overview of the improvements/enhancements that will be done. The Board also reviewed drawings depicting

the project with the improvements incorporated. Ms. Adams reviewed the costs of the project and the proposed budget amendment.

Upon inquiry from Commissioner Eidinger, Executive Director of Finance Brett Freshwaters answered questions pertaining to the budget amendment and the transfer of funds from the Commerce Placemaking 2019 project No. 570.

Commissioners Campbell and Keel **moved** and seconded to 1) amend the Capital Budget by transferring funds from the Commerce Placemaking 2019 project No. 570 in the amount of \$2,143,000 to the Commerce Tunnel Refurbishment project No. 524; and 2) Authorize the Chief Executive Officer to enter into and execute Contract No. 1064 with Construct, Inc., to provide construction services for the Commerce Tunnel Turnaround Project in an amount not to exceed \$2,795,100.

Motion **carried**, 9-0.

4. FS 2020-044, Authorizing Amendments to Section 2.02.010 of the Pierce Transit Bylaws to Address Proportional Representation Pursuant to RCW 36.57A.050 and to Reflect the Change in the Board Composition that was Authorized at the Board Composition Review Committee Meeting on July 22, 2020

Clerk of the Board Deanne Jacobson presented on the item and noted that the bylaw amendment is a procedural matter that would amend the bylaws to reflect the composition of the Board that was approved unanimously by the participating members who attended the July 22, 2020 Board Composition Review Meeting.

Commissioner Farris stated that Puyallup would like its own seat on the Board. She spoke specifically about the shared seat for the cities of Puyallup and Edgewood, noting that she feels they have reached an impasse about which city should serve on the Pierce Transit Board representing both cities.

Commissioner Anderson re-affirmed that the Pierce Transit Board did not institute the state law that required proportional representation, based on population, on the Pierce Transit Board.

General Counsel Aaron Millstein confirmed that the Pierce Transit Board has no authority over revising or selecting the composition of the Board and the next review of the Board composition would be in four years and that process is conducted by the members who participate in the Board Composition Review Meeting.

A lengthy discussion ensued about jurisdictions that have shared seating and the selection process of a respective representative, with some Board members offering recommendations for how entities can resolve a tie vote. *(Chair Woodards left the meeting at 5:30 p.m., noting that she had another commitment to attend and that today's executive session will be deferred to the October 12 Board Meeting. She transferred the gavel to Vice Chair Campbell to facilitate the remainder of the meeting.)*

CEO Dreier reminded the Board that the question before them today solely addresses updating the Board Bylaws to reflect the Board composition that was approved by the participating

members of the Board Composition Review Meeting held on July 22, 2020. She suggested that changes to the bylaws that address the election/selection process for jurisdictions that have shared seating be addressed in the future.

Commissioners Henderson and Anderson **moved** and seconded to Approve Resolution No. 2020-018, authorizing amendments to Section 2.02.010 of the Pierce Transit Bylaws to address proportional representation pursuant to RCW 36.57a.050 and to reflect the change in the board composition that was authorized at the board composition review meeting on July 22, 2020.

Motion **carried**, 7-1, with Commissioner Farris voting no.

STAFF UPDATES/DISCUSSION

CEO's Report – CEO Dreier reported on the following items:

- At the beginning of this month, informational packets were mailed out to 257 property owners along the BRT corridor containing the following information:
 - Overall BRT project information;
 - Notice that Pierce Transit may need to purchase, or get temporary construction access to a strip of their property; and
 - Details about Pierce Transit's acquisition process and property owner rights during the acquisition process.

She affirmed staff's commitment to be responsive to inquiries and questions and noted that Pierce Transit has been contacted by 16 property owners thus far.

- Notifications were recently sent to 18 property owners indicating that they may have contamination on their property, and asking them to fill out a questionnaire about the history of their property.
- Encouraged the Board members to visit Pierce Transit's website to sign up for BRT updates to stay informed about the project.
- The Puget Sound CEO/GM's had a very productive meeting with the Governor's staff this past week. The major focus of the meeting was discussing the new standards for public transportation that the governor's office is writing, specifically a requirement for spacing of passengers within a bus.
- Pierce Transit has joined over 100 transit agencies across the nation to commit to industry best practices for safe transportation during the COVID-19 crisis. The APTA Health & Safety Commitments Program was developed after asking transit users from across the country what measures would make them feel more confident riding public transportation amid concerns about COVID-19. Pierce Transit has aligned and implemented the majority of the recommended practices over the past six months.

INFORMATIONAL BOARD ITEMS

Chair Report

Vice Chair Campbell reported the following items:

- The Executive Finance Committee meeting will be held virtually September 17, 2020 at 3:00 p.m.
- There will be a Board Study Session on October 12, 2020, at 3:00 p.m. The regular Board meeting will follow at 4:00 p.m.

Sound Transit Update

- Commissioner Keel announced that he requested that Sound Transit provide a formal presentation to the Pierce Transit Board of its Realignment Process
- Sound Transit is rethinking its capital projects. Completion dates may be extended for certain projects.
- Sounder station platforms will not be extended.

PSRC Transportation Policy Board Update

Commissioner Anderson provided an update on the last PSRC Transportation Policy Board Meeting that he attended and reported that discussions are occurring and gaining traction about the funding/distribution of PSRC monies to transit agencies, such as Pierce Transit, in a more equitable way.

Commissioner Comments

Commissioner Robin Farris announced that today's meeting would be the last Board meeting that she would be attending and spoke fondly about serving on the Board and thanked staff and her fellow commissioners.

Vice Chair Campbell thanked Commissioner Farris for her public service and for her passion in public service.

EXECUTIVE SESSION

None.

ADJOURNMENT

Commissioners Keel and Eiding **moved** and seconded to adjourn the meeting at 6:10 p.m.

FUNDING SOURCE:			EXPLANATION:
Local Amount	\$ 160,000	2020 Budget	Legal costs are budgeted annually, and the amounts indicated reflect anticipated expenses including negotiation of ATU agreement in 2020 as well as legal services through the life of the extended contract.
	<u>90,000</u>	2021 Budget	
Grant/Other Amounts	\$		
Total Expenditure	\$ 250,000		

BACKGROUND:

Through a competitive bid process, Summit Law group was selected as the lowest cost firm having experience with Transit related interest-arbitration eligible unions. Summit Law Group also provides Pierce Transit the continuity and consistency of having served as our legal representatives for the previous contract period.

A multi-year contract was executed in 2016 with an expenditure amount of \$500,000 to assist the Agency with legal issues arising from administration of collective bargaining agreements, including negotiation of agreements and contract/relation services impacting over 800 employees. The original contract has been extended through August 31, 2021, and the total expended of the original \$500,000 is approximately \$473,477. These legal costs are budgeted in the annual Administration M&O budget. This amendment will benefit the Agency since we will enter contract negotiations with ATU in 2020 and Summit Law is well-versed on past bargaining and labor relations activity including contract disputes, grievances, employment claims, arbitrations, etc.

STAFF RECOMMENDATION:

Authorize the Chief Executive Officer to Approve increasing the Contract amount with Summit Law Group for Labor Negotiations & Labor/Contract Relations Services by \$250,000.

ALTERNATIVES:

Do not authorize Amendment No. 3. This is not recommended as legal assistance and guidance in labor relations matters is necessary.

PROPOSED MOTION:

Move to: Authorize the Chief Executive Officer to enter into and execute Amendment No. 3, Contract No. PT-07-16, with Summit Law Group to increase the contract amount by \$250,000, for a total contract amount to not exceed \$750,000, for Labor Negotiations & Labor/Contract Relations Services through August 31, 2021.

FUNDING SOURCE:		EXPLANATION:
Local Amount	\$ 140,000.00	This request will authorize the funds required to provide the continuation of vehicle recovery and towing services. The current amount expended on this Contract is \$264,270.23. The requested additional funds in the amount of \$140,000 will be allocated from the Fleet Maintenance operating budget.
Grant/Other Amounts	\$	
Total Expenditure	\$ 140,000.00	

BACKGROUND:

Contract PT-32-16 was awarded to Gene's Towing, Inc., after a competitive bid process in 2016. The contract is for routine vehicle towing and recovery services. The unplanned vehicle recovery and towing expenditures have exceeded the estimated expenditures in the original contract authority in the amount of \$26,564.01 with an estimated expenditure of \$10,000 for the month of October 2020.

To ensure there will be adequate funding, the request is to increase the contract authority limit for this contract to adjust for the impact of unplanned vehicle recoveries. This request is for a \$40,000 increase in the current contract amount to carry through to October 31, 2020. and an additional \$100,000 funding request that will provide the necessary funding for the 11-month contract extension which will be the final term of the contract.

STAFF RECOMMENDATION:

The Fleet Maintenance Department requests authority to increase the current contract limit to cover the \$26,564.01 overage, \$10,000 estimated expenditure for October, 2020 and utilize the remaining eleven month contract extension for the total additional amount of \$140,000.

ALTERNATIVES:

Do not authorize. This would leave Pierce Transit without any towing services for its fleet, resulting in extra costs incurred by no price guarantee; premiums during peak hours; increased fuel surcharges; untrained contractors; unavailable equipment; potential damage to vehicles and no guaranteed response time.

PROPOSED MOTION:

Move to: Authorize the Chief Executive Officer to enter into and execute Amendment No. 3 with Gene's Towing extending the contract by eleven months to September 30, 2021 and increasing the contract amount by \$140,000 for a total not to exceed contract amount of \$377,706.22.

Original Grant Contract Authority Amount	\$ 1,150,603.00
Grant/Amendment Amount	\$ 637,365.00
New Contract Authority Amount	\$ 1,787,968.00

EXPLANATION:

The funds for this Agreement may come from the \$60 million Sound Transit 3 Funding Agreement that is the subject of Resolution No. 2019-023, adopted by the Board on August 12, 2019.

BACKGROUND:

Pierce Transit advertised a Request for Qualifications and Project Approach (RFQ/PA) in September 2019 for GC/CM Services for the BRT Project. Statements of Qualifications were accepted in October 2019. Pierce Transit received three (3) responses to the RFQ/PA. Granite emerged as the top scorer.

Granite provided a proposal for Pre-Construction Services. The Proposal included a not to exceed amount of \$1,046,003.00 for Pre-Construction Services. The Contract is expected to run until March 2021 when design is complete. Granite and Pierce Transit will also negotiate a Maximum Allowable Construction Cost (MACC) once the design is at 90%. The MACC will be approved through a separate contract.

Subsequently, in September 2020, Pierce Transit executed Amendment No. 1 under the CEO's signing authority with Granite Construction to obtain subcontract services with Dempsey Consulting to assist with electrical design work in an amount not to exceed \$104,737.50.

This proposed action item seeks to increase Granite Construction's agreement to cover the potholing work down the State Route 7 Corridor. This work could require up to four hundred (400) potholing locations. The Construction 30% Cost Model for the Pierce Transit BRT program is currently budgeting \$3 million Allowance/Provisional Sum in the Construction Phase for utility conflict resolution. This proposed pothole program is using a portion of that sum during design to mitigate anticipated conflicts during construction.

STAFF RECOMMENDATION:

Amend Pre-Construction Agreement No. PT-68-19 with Granite Construction to increase the not to exceed amount to cover the cost of the potholing work needed down the State Route 7 Corridor.

ALTERNATIVES:

Do not approve this Amendment to the Agreement with Granite for Pre-Construction Services. This is not recommended as understanding how to minimize the time impacting the Corridor and adjoining neighborhoods for cost, safety and public confidence/support can be greatly mitigated by an early determination of existing utilities and designing to account for them or initiating relocation. Granite Construction's recent experience with Community Transit constructing the Swift Green Line had an increase in over \$1.5M to address utility conflicts over a similar corridor environment. This was a low bid contract with minimal utility due diligence which then required addressing the utility conflicts as they emerged in the field through change management, rather than proactively addressing the problem. In addition to cost impacts, a greater certainty with the project schedule and reduced contingency for the time to complete the Corridor will also be realized.

PROPOSED MOTION:

Move to: Authorize the Chief Executive Officer to enter into and execute Amendment No. 2 with Granite Construction, Pre-Construction Agreement No. PT-68-19, to increase the original contract authority amount by \$637,365.00 to cover the potholing work down the State Route 7 Corridor for a new contract amount of \$1,787,968.00.

Local Amendment Amount	\$ 78,142.37	
New Contract Authority Amount	\$ 566,332.69	

BACKGROUND:

On September 27, 2018, Executive Finance Committee authorized the Chief Executive Officer to execute Master Contract No. PT-12-18 with Hultz/BHU Engineers with a not to exceed amount of \$277,373.02. Subsequently Amendment No. 1 to extend the Master Contract expiration date was executed on August 26, 2019. Amendment No. 1 did not increase the Master Contract not to exceed amount.

On February 20, 2020, Service Delivery & Capital Committee authorized the Chief Executive Officer to execute Amendment No. 2 to the Master Contract not to exceed amount to \$488,190.32.

This proposed action item seeks to increase Hultz/BHU Engineers Master Contract to cover the Construction Support in the form of construction submittal review, substitutions during construction, verifying contractors work is in compliance with project documents, site reports, contractor payment review, punch list development and closeout, backcheck of punch list and closeout report.

STAFF RECOMMENDATION:

Approve the amendment so that staff can continue to refurbish the Commerce Tunnel, fix critical infrastructure, make safety improvements, LED lighting, along with better amenities for our staff.

ALTERNATIVES:

Do not authorize increased not to exceed amount. This is not recommended as the Agency would not be able to complete the Commerce Tunnel Refurbishment Project as scheduled and maintenance needs would be unmet.

PROPOSED MOTION:

Move to: Authorize the Chief Executive Officer to enter into and execute Amendment No. 3 with Hultz/BHU Engineers, Master Contract No. PT-12-18, increasing the original contract authority amount by \$78,142.37 for Construction Support Services for a total not to exceed amount of \$566,332.69.

Grant/Amendment Amount	\$ 504,727	
20% Contingency	\$ 100,945	
New Contract Authority Amount	\$ 1,274,817	

BACKGROUND:

Pierce Transit advertised a Request for Qualifications (RFQ) in March 2019 for professional consultant services for the BRT Project. Statement of Qualifications were accepted in April 2019. An Evaluation Committee reviewed the Proposals and selected Parametrix as the most qualified consultant to lead the GC/CM Advisory Services for the BRT Pacific Avenue/State Route 7 Corridor Project.

Parametrix's early work has included support presenting the Project to the State's Capital Projects Advisory Review Board (CPARB), Project Review Committee (PRC) as well as supporting the RFQ/PA process to select a GC/CM. Parametrix, along with Pierce Transit, successfully gained approval from the PRC to move forward with the GC/CM project delivery method on July 25th, 2019. Parametrix continued to support Pierce Transit through the RFQ/PA process which resulted in the selection of Granite Construction as our GC/CM to support the Project during Preconstruction services.

Parametrix's early work was conducted under Amendment Nos. 1, 3 and 4 that were approved under the CEO's authority. Amendment No.1 in the amount of \$30,038 provided support and consultation through the GC/CM selection process. Amendment No. 3 (no cost) added a subconsultant for scheduling services. Amendment No. 4 (no cost) added subconsultant that specializes in risk assessments in accordance with the FTA requirements.

Parametrix's contract also includes all Preconstruction Support Services needed, which include but are not limited to Project Management Support, Budget Development, Schedule Development, Project Review, Electrical Subcontracts (EC/CM) Support, and Utility Due Diligence.

This proposed action item seeks to allow Parametrix to:

- Provide an independent Third-Party Risk Assessment in accordance with Federal Transit Administration (FTA) Requirements. The FTA has recommended Pierce Transit undertake this independent review prior to the formal Project Management Oversight Consulting (PMOC) Risk Assessment process which will occur later this year.
- Provide master budget development, planning and tracking, scenario planning.
- Provide project master schedule development, planning and tracking, scenario planning.
- Provide Interlocal Agreements support with state, local jurisdictions, and local utilities.
- Provide management of utilities investigations and due diligence.
- Provide additional project management services.

STAFF RECOMMENDATION:

Amend Contract No. PT-18-19 with Parametrix for Additional Advisory Services to support the BRT Pacific Avenue/SR 7 Corridor Project.

ALTERNATIVES:

Reject the Parametrix proposal and undertake this effort in house. However, this is a very specialized effort requiring intensive analysis of schedule, budget and risks utilizing prescribed tools and modelling.

PROPOSED MOTION:

Move to: Authorize the Chief Executive Officer to enter into and execute Amendment No. 5 with Parametrix, Contract No. PT-18-19, to increase the existing contract amount by \$504,727.00, plus a contingency amount of \$100,945.00, to provide additional Advisory Services for the BRT Pacific Ave/SR 7 Corridor Project for a new contract authority amount of \$1,274,817.
