AGREEMENT

This AGREEMENT is between PIERCE COUNTY PUBLIC TRANSPORTATION BENEFIT AREA AUTHORITY CORPORATION (hereinafter called the Employer) or any successors or assignees thereof, and INTERNATIONAL ASSOCIATION OF MACHINISTS and AEROSPACE WORKERS, DISTRICT LODGE 160, AFL-CIO (hereinafter called the Union) for the purpose of setting forth the mutual understanding of the parties as to wages, hours and other conditions of employment of those employees for whom the Employer has recognized the Union as the exclusive collective bargaining representative.

ARTICLE 1 - SUBORDINATION OF AGREEMENT

It is understood that the parties hereto and the employees of the Employer are governed by the provisions of applicable state and federal laws. When any provisions thereof are in conflict with or are different than the provisions of this Agreement, the provisions of said state and federal laws are paramount and shall prevail.

ARTICLE 2 - RECOGNITION AND BARGAINING UNIT

The Employer hereby recognizes the Union as the exclusive collective bargaining representative for the purposes stated in RCW Chapter 41.56 as last amended of all employees employed within the bargaining unit defined by the classifications listed in Appendix A to this Agreement. During the term of this Agreement, the Employer will notify the Union of newly created job classifications that share a community of interest with positions represented by the bargaining unit. After conferring with the Union, if no agreement is reached regarding inclusion of a job classification in the bargaining unit, the dispute will be referred to the Public Employment Relations Commission (PERC) pursuant to RCW 41.56. If the job classification is to be included in the bargaining unit, the Employer will negotiate the wage rate and applicable terms and working conditions for such new classifications.

ARTICLE 3 - UNION MEMBERSHIP AND DUES

- A. The Employer agrees to deduct from the paycheck of each employee who has affirmatively authorized it, as evidenced by a signed authorization form provided by the

Union to the Employer the regular initiation fees, regular monthly dues and assessments uniformly required of members of the Union. The amounts deducted shall be transmitted monthly to the Union on behalf of the employees. The performance of this function is recognized as a service to the Union by the Employer. Revocation of dues withdrawal will be processed by the Employer within thirty (30) calendar days upon receipt of written notification to the Employer by the Union.

- B. New employees in positions covered by this Agreement, shall be informed that the Union is their exclusive representative, and their position is covered by the terms of this Agreement.
- C. The Employer shall notify the Union of the hire of new employees in positions represented by the Union and the labor Agreement upon hire. The Employer shall supply the following information to the Union regarding each new hire in a bargaining unit position; name, start date and or date of hire, address, work location classification, and rate of pay.
- D. When new hire orientation classes or sessions are conducted for new employees in bargaining unit positions, the Employer shall provide the Union with advance notice of said orientations and shall permit the Union not less than one (1) hour to give a presentation, answer questions and distribute materials. Attendance in such orientations(s) are voluntary.
- E. The Union shall indemnify and save the Employer harmless against any and all orders or judgments brought against the Employer as a result of any action taken or not taken by the Employer under the provisions of this Article, and any and all issues related to the deductions of dues or other payments to the Union, including reimbursement for any legal fees or expenses incurred in connection with any such action when the procedures of this Article are followed by the Employer.

ARTICLE 4 - UNION ACTIVITIES

- A. **Visitation and Conduct of Union Business:** Authorized representatives of the Union may, after notifying the Public Safety Chief, or designee, visit the work location of employees covered by this Agreement at a reasonable time for the purpose of investigating conditions on the job. Such representatives shall confine their activities during such investigations to matters relating to this Agreement. Employer work time shall not be used by employees or Union representatives for the conduct of Union

- business or the promotion of Union affairs.
- B. **Authorized Representatives:** The Union shall provide the Employer, in writing, with the names of the representatives who are authorized to resolve grievances and who will be serving on the Union's negotiation team.
 - C. **Nondiscrimination:** A member of the Union acting in any official capacity whatsoever shall not be discriminated against for lawful acts as such member of the Union.
 - D. **Union Bulletin Boards:** The Employer shall provide one Union bulletin board. Postings by the Union and its members shall be confined to such board and shall be limited to the business of the Union.
 - E. **Meetings with Employer:** Authorized representatives of the Union will be allowed time off with pay to attend meetings called at the request of the Employer or its duly authorized representatives. This shall apply only to those meetings occurring during the employee's normal work shift. Attendance at meetings during non-work hours will be considered unpaid time.
 - F. **Union Business Leave:** Employees will be granted leave without pay to participate in Union activities of a specified duration upon request to the Public Safety Chief, or designee, provided that the employee's absence will not interfere with the operating needs of the work unit. The request will be submitted at least seven (7) business days in advance and cite the duration of the assignment unless this requirement is waived by the Employer.
 - G. **Time in Bargaining:** Employees serving on the Union negotiation team will not be paid by the Employer for time spent in bargaining activities and will be considered to be on leave. However, for pension continuation purposes, such leave for bargaining activities will be paid leave when agreement is made between the Union and Employer, where the Employer is reimbursed by the Union for all salaries, applicable payroll taxes, retirement contributions and fringe benefits paid to or on behalf of the designated employees. Such reimbursement shall be invoiced by the Employer. Upon receipt of an invoice from the Employer, the Union shall remit payment within thirty (30) days.

ARTICLE 5 - WORK STOPPAGES

- A. The Union and the Employer agree that the public interest requires the efficient and uninterrupted performance of all Employer services and to this end pledge their efforts

to avoid or eliminate any conduct contrary to this objective.

- B. During the life of this Agreement, the Union shall not cause or condone any work stoppage, strike, slowdown, or other interference with Employer functions by employees under this Agreement. Employees covered by this Agreement who engage in any of the foregoing actions shall be subject to disciplinary action up to and including termination.

ARTICLE 6 - MANAGEMENT RIGHTS

- A. Except as otherwise limited by the terms of this Agreement, the Employer retains all its customary, usual and exclusive rights, decision-making prerogatives, functions, and authority connected with or in any way incidental to its responsibility to manage the affairs of the Employer.
- B. The direction of its working force and operations is vested exclusively with the Employer. Without limitation, but by way of illustration, the exclusive prerogatives, functions, authority, and rights of the Employer shall include the following:
 1. To direct and supervise all operations, functions, and policies of the Employer in which the employees in the bargaining unit are employed.
 2. To close or liquidate an office, branch, operation or facility, or combination of facilities, or to relocate, reorganize, or combine the work of division, office, branches, operations or facilities for budgetary or other reasons.
 3. To determine the need for a reduction or an increase in the work force and the implementation of any decision with regards thereof.
 4. To establish, revise, and implement standards for hiring, classification, promotion, quality of work, safety, materials, equipment, uniforms, appearance, methods, and procedures.
 5. To develop, interpret, amend, and enforce written policies, procedures, rules or regulations governing the workplace, including those described in the current Personnel Manual, provided that such policies, procedures, rules or regulations do not conflict with the provisions of this Agreement.
 6. To assign and distribute work, including the assignment of incidental duties connected with positions even if not described in job description/classifications.
 7. To assign shifts, workdays, hours of work, and work locations.
 8. To discipline, suspend, demote, or discharge an employee for just cause.

9. To determine the need for additional educational courses, training programs, on-the-job training, and cross-training, and to assign employees to such duties for periods to be determined by the Employer.

ARTICLE 7- UNION NONDISCRIMINATION

- A. The Union and Management agree to work cooperatively to ensure the achievement of the principles of non-discrimination. Further, it is mutually agreed that there shall be no discrimination based on Union membership or Union activity. Employees who believe they have been the subject of discrimination are encouraged to utilize the Agency's internal complaint procedures prior to seeking relief through external Agencies.
- B. The term "Employee," as used in this Agreement, includes both male and female employees. Contract language has been written as gender neutral whenever possible.

ARTICLE 8 - GRIEVANCE PROCEDURE

- A. The purpose of this procedure is to provide an orderly method for resolving grievances. A determined effort shall be made to settle any such differences at the lowest possible level in the grievance procedure. It is understood that there shall be no suspension of work, slowdown, or curtailment of services while any difference is in process of adjustment or arbitration pursuant to the terms of this Agreement.
- B. A "Grievance," as is used in this Agreement, means a claim by the Union that the terms of this Agreement have been violated, or that a dispute exists concerning the proper application or interpretation of this Agreement. Grievances shall be processed in accordance with the following procedures within the stated time limits.
- C. Steps in the grievance procedure for disputes involving contract interpretations:
STEP 1: The Union representative shall present in writing to the Public Safety Chief, or designee, and the Labor Relations Officer, within ten (10) business days of knowledge of the act or event being grieved, with a copy to the Executive Director of Service Delivery and Support. The grievance shall specify the alleged violations(s) or dispute to include the act or event grieved, the date of the occurrence, the identity of the employee(s) who claims to be aggrieved, the specific provision of the Agreement that has been violated, and the remedy sought. The Public Safety Chief, or designee, shall

have ten (10) business days after receipt of the grievance within which to meet and resolve the issue.

STEP 2: In the event that resolution is not reached, and the Union Business Representative believes the grievance has merit, the grievance shall be submitted in writing to the Executive Director of Administration, or designee, within ten (10) business days of the step one meeting. The grievance shall specify the act or event grieved, the date of the occurrence, the identity of the employee(s) who claims to be aggrieved, the specific provision of the Agreement that has been violated, and the remedy sought. The Employer will not be required to process a grievance until this information is provided. Grievances that do not meet this condition or are otherwise unclear may be identified by the Employer and referred back to the Union for written clarification.

STEP 3: The Executive Director of Administration, or designee, shall serve as chair of a Grievance Committee consisting of appropriate Employer personnel as designated, who will meet with the employee and the Union representative to review the facts and resolve the grievance. The meeting shall be held within twenty (20) business days after receipt of the written grievance and the committee shall render a written decision within twenty (20) business days after the meeting.

STEP 4: In the event the grievance remains unresolved, the grievance may be appealed to arbitration by so notifying the Executive Director of Administration, or designee, in writing by email, registered or certified mail. Such notification must be received not later than thirty (30) business days after receipt by the Union of the committee's decision.

D. In the event that a grievance arises that involves disciplinary action, it shall be handled in the following manner:

STEP 1: In the event that the Union Business Representative believes the grievance has merit, the grievance shall be reduced to writing and presented to the Executive Director of Administration, or designee, within ten (10) business days after receipt by the Union of the notice of discipline or the date of removal if the grievance involves immediate removal from the job site as provided in Article 11 – Discipline and Discharge. The grievance shall specify the act or event grieved, the date of the occurrence, the identity of the employee who claims to be aggrieved, and if applicable, the provision of the Agreement that has been violated, and the remedy sought. The Employer will not be required to process a grievance until this

information is provided. Grievances that do not meet this condition or are otherwise unclear may be identified by the Employer and referred back to the Union for written clarification. Thereafter, the Union Business Representative and the employee will meet with a committee chaired by the Executive Director of Administration, or designee, and other appropriate Employer personnel for the purpose of resolving the grievance. The meeting shall be held within twenty (20) business days after receipt of the request for the meeting. The committee shall render a decision in writing within twenty (20) business days after such meeting is concluded.

STEP 2: In the event the grievance remains unresolved, then the grievance may be appealed to arbitration by so notifying the Executive Director of Administration, or designee, in writing by email, registered or certified mail. Such notification must be received no later than thirty (30) business days after receipt by the Union of the committee's decision.

E. Arbitration Procedure:

1. In the event that any grievance, dispute, or controversy, including disciplinary action, cannot be amicably adjusted in accordance with the provision of the grievance procedures defined in Sections C and D of this Article, it may be submitted to arbitration. Either party shall give notice of its intention to arbitrate as required in the applicable step. A list of nine (9) arbitrators shall be requested from the Federal Mediation and Conciliation Service (FMCS). Both parties shall meet and each shall strike a name, until one (1) arbitrator is selected.
2. The Union and the Employer both agree that the submission of a case to arbitration shall be based on the original written grievance submitted following the grievance procedure in Sections C and D of this Article and shall contain the nature of the grievance; act or acts grieved; date of occurrence; actual work performed; identity of employee or employees who claim to be aggrieved; provisions, if any, of this Agreement that the Employer has allegedly violated; and remedy sought.
3. Unless agreed upon in writing by both parties prior to the scheduling of the arbitration, no more than one (1) grievance, dispute, or controversy shall be submitted before the same arbitrator at one (1) hearing.
4. Upon mutual consent of the parties, an important grievance, dispute, or controversy may be severed from the other matters so as not to be heard at the

same arbitration session or by the same arbitrator. The Arbitrator shall determine whether good cause has been shown.

5. The Arbitrator shall settle or decide an issue or grievance submitted for arbitration within thirty (30) calendar days from the date on which the arbitration hearing closed.
6. All meetings and hearings under this procedure shall be kept informal and private and shall include only such parties in interest and/or designated representatives.
7. The Arbitrator shall have no authority to alter, modify, vacate or amend any terms of this Agreement, to limit or impair any common law right of the Employer, or to establish or change any wage or rate of pay contrary to the terms of this Agreement. The Arbitrator will not have the authority to make any award that provides an employee with compensation greater than would have resulted had there been no violation of the Agreement. In case of non-disciplinary arbitration, the power and authority of the Arbitrator shall be to hear and decide each non-disciplinary dispute and shall be limited to determining the meaning and interpretation of the terms of this Agreement as herein set forth. The decision of the Arbitrator within these stated limits shall be final and binding on both parties and shall be in accordance with the laws of the state of Washington and the federal laws. The decision of the Arbitrator shall be based solely on the evidence and arguments presented to him/her by the parties in the presence of each other.
8. The parties agree that the power and jurisdiction of any arbitrator chosen hereunder shall be limited to deciding whether there has been a violation of a provision of this Agreement.
9. The expense of the impartial arbitrator shall be borne equally by the parties. If the arbitration hearing is postponed or cancelled because of one party, that party will bear the cost of the postponement or cancellation. The cost of any mutually agreed upon postponements or cancellations will be shared equally by the parties. Each party shall bear the cost of preparing its own case, including attorney's fees and expenses, regardless of the outcome.
10. This grievance and arbitration process is the exclusive mechanism to resolve disputes involving the interpretation of this Agreement, including disciplinary actions. If issues raised in a grievance under this Agreement are also subject

to claims based on laws independent of this Agreement, the Union and affected employees must choose whether to pursue the grievance and waive the other claims or pursue the independent claims and waive the right to contest the grievance through arbitration. The choice of which route to pursue must be made before requesting arbitration.

11. No issue whatsoever shall be arbitrated or subject to arbitration under this agreement unless such issue results from an action or occurrence which takes place following the execution date of this Agreement and no arbitration determination or award shall be made by the Arbitrator which grants any right or relief for any period of time whatsoever prior to the execution date of this Agreement. In case of a grievance involving any continuing or other monetary claim against the Employer, no award shall be made by the Arbitrator which shall allow any alleged accruals for more than one hundred eighty (180) calendar days prior to the date when such grievance shall have first been presented.
- F. Any and all time limits specified in the grievance procedure may be waived in writing by mutual agreement of the parties. Failure by the employee/Union to submit the grievance in accordance with these time limits without such waiver shall constitute an abandonment of the grievance. Upon written notice, a retroactive waiver of up to five (5) business days will be provided by management to the Union on Step 2 grievances. Failure by the Employer to submit a reply within the specified time limits shall cause the grievance to advance to the next step of the grievance procedure.

ARTICLE 9- FITNESS FOR DUTY EXAMINATIONS

- A. All employees may be required by the Public Safety Chief, or designee, with the approval of the Executive Director of Administration, or designee to undergo for cause medical examinations to determine their physical and mental fitness to perform the work of the classification in which they are employed. The cost of these examinations shall be at the expense of the Employer.
- B. Determination of physical or mental fitness will be by a physician designated by the Employer. The Employer will provide this physician with a description of the work to be performed and its physical parameters, as well as a written summary of any Employer concerns related to fitness for duty. The employee will fully cooperate in the exam, including providing any information and/or medical records that the

examining physician deems relevant.

- C. When the examining physician reports that an employee is physically or mentally unfit to perform work in the position in which the employee is employed, such employee shall have a period of three (3) working days from the date of his/her notification of such determination by the examining physician to indicate in writing to the Executive Director of Administration their intention to submit the question of his/her physical or mental unfitness to a physician of their own choice. The cost of the examination shall be at the employee's own expense. This physician shall also be provided a description of the work to be performed and its physical parameters, as well as a written summary of the Employer's concerns related to fitness for duty. The report of such examination shall be provided to the Executive Director of Administration not later than twenty (20) working days from the receipt of notification of unfitness of the employee.
- D. In the event of differing medical opinions, the employee shall undergo an examination by a third party physician for resolution. This physician shall be mutually agreed upon by the Employer and the Union and chosen from a list provided by the Union of five (5) licensed physicians on the Washington State Department of Labor & Industries (L&I) current list of registered providers. Failure to agree on an examining physician within thirty (30) days of receipt of the list shall be considered a default to the Employer's examiner unless an extension is mutually agreed upon. The third medical examination shall be the deciding opinion. The cost of this examination shall be at the expense of the Employer.
- E. Actions of the Employer based on the results of the examination are not considered to be disciplinary; however, such actions shall be subject to the grievance procedure in Article 8 of this Agreement.

ARTICLE 10- PROBATIONARY EMPLOYMENT

- A. New employees shall be subject to a probationary period of nine (9) months, provided that the Employer may extend such probation period for a maximum of three (3) additional months. The probationary period shall include the academy and field training programs.
- B. Probationary employees shall not be considered regular employees, and their retention as employees shall be strictly within the discretion of the Employer. Such employees shall not have recourse to the grievance procedure with regard to

disciplinary actions including discharge. When a probationary employee is discharged, the employee may demand that a Union representative be present.

- C. An employee who is promoted shall be required to complete a probationary period of six (6) months during which retention in the new position will be at the Employer's discretion. However, if the employee fails to successfully complete a probationary period, he/she shall be permitted to return to the position from which he/she was promoted.
- D. Periods of absence from work (both paid and unpaid) as well as time worked in a light or transitional duty assignment will not be included in computing the probationary period.

ARTICLE 11 - DISCIPLINE AND DISCHARGE

- A. Written reprimands, notices of suspension and notices of discharge will become a part of an employee's personnel file. The employee and the Union will receive a copy of such reprimands and notices.
- B. An employee may be suspended without pay, demoted or dismissed for cause.
 - 1. The employee or delegate shall be given a copy of the notice of disciplinary action, which includes a statement of reasons for the action.
 - 2. The Union may grieve a suspension, disciplinary demotion, or dismissal by filing a written grievance in accordance with the procedures specified in Article 8 – Grievance Procedure, Section D.
 - 3. Suspensions shall be effective not more than ten (10) business days from the date of the notice of discipline, excluding any leaves, days off and holidays of the employee.
- C. If the Employer believes a situation exists requiring the immediate termination or removal from the job site of an employee, the reasons for such decision should be carefully documented. Grounds for immediate dismissal may include:
 - 1. Actions in violation of the Pierce Transit Drug & Alcohol Policy to include:
 - a) The possession of, use of, or impairment by, any illegal or prohibited drug, or misuse of legally prescribed drugs.
 - b) The possession of, use of, or impairment by, alcohol while on duty or in uniform. The term “possession” as used in this article shall not be construed to include the temporary possession of alcohol, drugs or other

substances that arises as a result of or in connection with the employee's performance of job duties.

2. Dishonesty;
3. Mishandling of Employer revenues;
4. Insubordination;
5. Striking or abusing a supervisor, customer or fellow employee;
6. Misuse of Agency equipment;
7. Mishandling of physical evidence;
8. Conviction of a crime; and
9. Conduct unbecoming.

ARTICLE 12 – SENIORITY

- A. The following types of seniority are recognized:
1. Agency seniority, which is the length of continuous employment of an employee with the Employer commencing on the employee's last date of hire.
 2. Classification seniority, which is the length of aggregate employment of an employee within a classification to which he/she has been regularly appointed and commencing on the date on which the employee is appointed to a regular position.
 - a) Employees who are promoted to a classification not included in the bargaining unit shall have their classification seniority frozen and will lose said seniority at the conclusion of one (1) year (to include the probationary period).
 - b) An employee who is temporarily appointed to a classification shall not accrue seniority in that classification but shall continue to accrue seniority in their classification.
 - c) Employees moving from one classification to another classification within this bargaining unit will have their seniority frozen in their previous classification.
- B. Leaves of absence without pay exceeding thirty (30) consecutive calendar days will result in a commensurate reduction of seniority with the exception of qualified Family Medical leaves and military leaves.
- C. An employee shall lose all seniority credit in the event of a voluntary or involuntary

termination. However, seniority shall not be lost in a lay off situation.

ARTICLE 13 - LAYOFF & RECALL

A. Layoff:

1. In the event of a layoff, the Employer shall determine the classifications in which positions are to be reduced. In determining which employees in the affected classifications will be laid off, primary consideration will be given to individual performance and qualifications required for the remaining jobs. Where there is more than one employee in an affected classification of work and where individual performance and qualifications are substantially equal as reasonably determined by the Employer, seniority in the relevant job classification will be determinative. Employees who are designated to be laid off shall be given thirty (30) calendar days' notice, or as much advance notice as possible, prior to the effective date of the layoff.
2. An employee who is in a classification designated for reduction may displace an employee in any equal or lower classification in the division in which said employee previously held regular status; provided said employee has more seniority in the classification than the employee he/she desires to displace. This right shall be exercised only once in any layoff.
3. Seniority for benefits purposes shall not accrue during layoff, but seniority for job bidding purposes shall continue to accrue during layoff.

B. Recall:

1. Employees shall be recalled in the reverse order of layoff as provided in Section A above.
2. Notice of recall shall be sent to employees at their last known address by registered or certified mail. It is the employee's responsibility to keep the Employer informed of his/her current address. If any employee fails to report for work within ten (10) calendar days from the date of mailing the notice of recall, he/she shall be considered to have quit, shall cease to have seniority, and shall have his/her name removed from the recall list.
3. Recall rights of any employee shall expire twenty-four (24) months from the date of layoff.

C. Furlough:

1. Furlough shall mean a status wherein an employee is placed in an unpaid and inactive status for a period of time, as determined by the Employer.
2. The Employer will determine which classifications will be placed on furlough. Where more than one employee occupies a position in a classification identified for furlough, the Employer will allow at least 24 hours for employee in that classification to volunteer for furlough.
3. Where no employee in the classification identified volunteers, employees will be selected by classification seniority. If the furlough is due to a “temporary or emergent situation” employees selected for furlough may not displace or bump other employees in lower classifications.
4. 2. Medical Benefits: For any non-probationary/trainee employee who is placed on furlough and qualifies by Employment Benefit Security Benefits, the Employer will continue to provide p to two (2) months of Employer paid healthcare insurance if the employee elects to continue benefits under the Consolidated Omnibus Budget Reconciliation Act (COBRA) and pay the employee’s portion of the healthcare insurance premiums. If the Employer determines the furlough will be extended past the eight (8) week period, both the IAM and the affected employee(s) will be notified prior to the discontinuance of the COBRA benefits. If the employee has not been or elected to be laid off, she/he will have said COBRA benefits extended for an additional eight (8) weeks. After the eight (8) week COBRA extension and employees remain on furlough, the Employer and the Union will meet to determine the future status of said employees to include healthcare benefits under COBRA.
5. Other Benefits: Employees on furlough will not be permitted to utilize vacation or sick leave. Leave accruals will remain frozen and available to the employee upon her/his return to work. Accrued vacation leave in the year the employee is furloughed may be carried over into the following year. If an employee is separated from employment (resigns, retires, laid-off, etc) during the furlough, leave accruals will be cashed out per the Collective Bargaining Agreement.
6. Seniority: While on furlough and not separated from employment, classification seniority will continue. Any probationary period will be extended upon return to work for an amount of time equivalent to the furlough period.
7. Reasonable Contact: Furloughed employees must remain in contact on a once weekly basis with their supervisor and will provide a current phone number to

Human Resources. Should an employee fail to notify Human Resources of her/his intention to return to work within three (3) business days from the date of being contacted, the employee will be considered to have quit.

- D. Nothing in this Article or any part of this Agreement is intended to restrict the sole authority of the Employer to determine the necessity of service reductions, the form of the reduction, or the duration of layoff.

ARTICLE 14 - INSURANCE AND OTHER BENEFITS

A. Medical, Vision and Dental Insurance

1. General – Benefit Information:

- a. The Employer will provide medical, dental and vision insurance plan coverage for all eligible employees and their dependents.
- b. Employees may waive coverage under the group medical (including vision) insurance plan offered by the Employer if they are covered under another plan. Employees waiving medical (including vision) coverage will receive three hundred dollars (\$300) per month in lieu of Employer provided medical provided Federal and state laws allow. Employees electing to drop medical will be required to provide evidence of alternative coverage and cannot change this election until the annual open enrollment period. Because the AWC Benefit Trust requires a minimum participation rate of seventy-five percent (75%) of all eligible employees in the agency, once the 25% threshold is reached, the program will be closed, and future waiver slots that become available will be offered on a first-come, first served basis on a list maintained by the Employer and shared with the Union. If a married couple or domestic partnership couple is covered by the Employer insurance, neither may receive the opt-out provision by refusing the Employer's insurance.
- c. An employee may elect to cover his/her domestic partner of the Employer's group medical and or dental plan under the same terms and conditions as those applied to a legal spouse. The insurance plan provided will determine the verification documentation required for domestic partnership, spouse, and dependent enrollment.
- d. The Employer will not change the existing medical and vision insurance policies during the term of this Agreement unless by mutual agreement of the Employer and the Union. If an increase in total plan premium exceeds ten percent (10%) in any benefit year, the Employer and the Union agree to discuss selecting a less costly plan. ARTICLE 18- SICK LEAVE, WITH AND WITHOUT PAY

- A. Introductory Statement:** Washington's paid sick leave law, Initiative 1433, took effect on January 1, 2018 and is published at RCW 49.46 and WAC 296-128. The law applies to all employees covered by this Agreement. To ensure compliance with the law, the Employer and Union agree to two separate sick leave accruals: (1) Washington Paid Sick Leave (WPSL), which is accrued and administered based on the minimum requirements of the law; and (2) Pierce Transit Sick Leave (PTSL), which is an additional leave benefit accrued and administered based on language from the Employer's policies and this Agreement. Accrued sick leave as of December 31, 2017 has been preserved as PTSL.

The Employer and Union recognize that employees have statutory rights to WPSL that may not be abridged by the Agreement or by the Employer's policies. Should any provision of this Agreement or the Employer's policies conflict with the law, then the minimum requirements of the law shall prevail. The specific details concerning the eligibility, accrual, authorized purposes, usage priority, separation rights, notice for use of WPSL, verification of WPSL usage, and other terms of WPSL and PTSL are governed by the Employer's policies, provided nothing in those policies shall conflict with any express language of this Agreement.

- B. Eligibility for Sick Leave:** The following provisions, unless otherwise specified, apply to all regular and probationary employees:

1. **Accrual – Washington Paid Sick Leave (WPSL):**
 - a. **All Employees:** All categories of employees, including full time, probationary and part-time employees accrue WPSL at the statutory rate of 0.025 hours for each hour worked, including overtime hours but excluding paid or unpaid leave. For example, an employee working eight (80) hours in a bi-weekly pay period accrues two (2) hours of WPSL for that pay period. There is no limitation on the amount of WPSL that may be accrued each calendar year.
 - b. WPSL earned shall be credited to an employee's accruals after the completion of each bi-weekly pay period and may not be used in the pay period earned.
2. **Carryover – Washington Paid Sick Leave (WPSL):** Regular and probationary employees may carryover a maximum of forty (40) hours of accrued WPSL from

one calendar year to another. At the end of each calendar year, any accrued WPSL in excess of forty (40) hours will be converted to PTSL. For example, an employee who ends a calendar year with sixty (60) hours of accrued WPSL will have twenty (20) hours of WPSL converted to PTSL.

WPSL and PTSL, when combined together, will accrue at the total rate of 3.6924 hours for each bi-weekly pay period.

Example #1: In a bi-weekly pay period, a full-time employee works eighty (80) hours. The employee accrues two (2) hours of WPSL and 1.6924 hours of PTSL, for a combined total of 3.6924 hours.

Example #2: In a bi-weekly pay period, a full-time employee works sixty (60) hours. The employee accrues one and a half (1.5) hours of WPSL and 2.1924 hours of PTSL, for a combined total accrual of 3.6924 hours.

Voluntary shift trades between day shift and swing shift employees are not allowed.
 2. Probationary employees will not participate in the bidding process and will be required to rotate their shift assignments per departmental needs and/or training objectives.
