

MORE PEOPLE. MORE PLACES. MORE OFTEN.

PLAN SPECIFICS

Rapid growth in Pierce County is straining our transit system. Our primary source of funding, a 0.6% sales tax, hasn't changed since 2002. If voters approve a 3¢ per \$10 spent* sales tax increase, we have a plan to deliver what our community has asked us for: transit that serves more people, more places, more often.

Current Rate

0.6% tax rate

no extra sales tax
