

Pierce Transit

# The Road Ahead

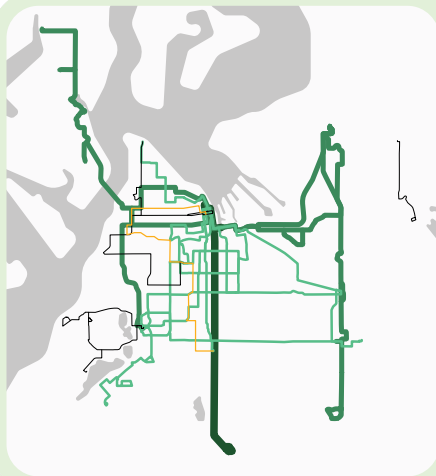

Every day, thousands of people count on Pierce Transit to reach jobs, healthcare, school, and other key destinations. As our community grows, so does the need for reliable, accessible transit that keeps people connected, eases traffic, and strengthens our local economy. Dependent on funding and shaped by community input, data, and regional coordination, we've developed three possible paths for the future:

## MAINTAIN

- Increased Service**  
482,000 Service Hours
- More Frequent Trips**  
2 Routes Increased
- Later Service**  
0 Routes Increased
- Better Connections**  
0 New Routes Added

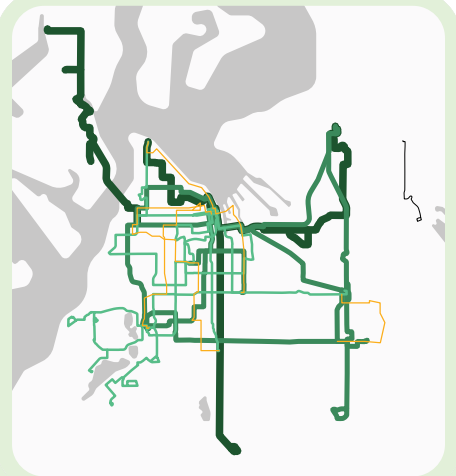

Total Route Improved: 2

## ENHANCE\*

- Increased Service**  
600,000 Service Hours
- More Frequent Trips**  
17 Routes Increased
- Later Service**  
18 Routes Increased
- Better Connections**  
0 New Routes Added

Total Routes Improved: 18

## TRANSFORM\*

- Increased Service**  
750,000 Service Hours
- More Frequent Trips**  
25 Routes Increased
- Later Service**  
26 Routes Increased
- Better Connections**  
4 New Routes Added

Total Routes Improved: 26

### Map Key

- Service Increased over 100%
- Service Increased 51%-100%
- Service Increased 1%-50%
- New or Adjusted Route
- No Service Increase

*\*Enhance and Transform scenarios require additional funding*

# Scenario Specifics

## MAINTAIN | Baseline (482,000 Hours)

### More Frequent Trips

- Routes 1 and 3 upgraded to 15-minute weekday service from 6:00 a.m. to 7:00 p.m.

### Route Adjustments

- Spanaway Transit Center served by both the Stream Community Line and Route 1
- Stream Community Line extended to reach Commerce Street Station
- Routes 2, 41, 42, 400, 402, 500, and 501 modified to connect with new Sound Transit Link stations

## ENHANCE | Scenario A (600,000 Hours) *includes all improvements from Maintain*

### More Frequent Trips

- Stream Community Line and Routes 2 and 3 operate every 15 minutes on weekdays
- Increased weekday and/or weekend frequency for 17 routes total
- Most routes operate every 30 minutes or better on weekdays

### Increase Operating Hours

- Extended weekend service for 17 routes total, ending at 8 p.m., 10 p.m., or 12 a.m.
- Stream Community Line, Routes 2, 3, 4, and new Commerce to TCC route operate until 12:00 a.m. on weekdays

### Route Adjustments

- Route 1 and Stream Community Line combined (Spanaway – Commerce), new route introduced (Commerce – TCC)
- Route 52 and 55 combined into new route with same path and frequency

## TRANSFORM | Scenario B (750,000 Hours) *includes all improvements from Maintain and Enhance*

### More Frequent Trips

- High-Capacity Stream Lines: Community Line, Routes 2 and 3 operate every 15-minutes on weekdays, 20-minute evenings/weekends
- 20-minute weekday frequency on Routes 4, 41, 48, 54, and 202
- 30-minute weekend frequency for most routes

### Increase Operating Hours

- Extended service span on 25 routes total
- Most routes run until at least 10 p.m. Saturday and 8 p.m. Sunday

### 4 New Routes Serve:

- Puyallup
- Port of Tacoma/East Tacoma
- Central Tacoma/Lakewood
- North Tacoma, with Point Ruston connection

## COMMUNITY ENGAGEMENT

Your feedback fuels our next steps
